

**Privileges for Senior Citizens**

The Stafford County School Board recognizes and appreciates the contributions of senior citizens to the public schools over the years. All senior citizens are encouraged to attend school activities, to participate in the development of the school division, and to serve as volunteers in the schools.

In recognition of contributions to the success of public education, every resident in the division's area of service who is 55 years of age or older and retired may apply for a "Gold Card" at the central office located at 31 Stafford Avenue. Gold card holders are entitled to the following:

1. Meals in school cafeterias at adult prices.
2. Free admission to all school-sponsored activities, including sports and cultural events.
3. Free tuition in adult education classes on a space-available basis.

Senior citizen volunteers are eligible for a free lunch on the day they are volunteering in the school.
